UNCOMFORTABLE?

Does your home have any of these symptoms?

☐ Rooms that get too hot or too cold?☐ High utility bills?☐ Thermostat wars with your spouse?☐ High humidity in summer?☐ House just never seems comfortable?☐ There doesn't seem to be enough airflow?

☐ Dust buildup within 2 days of dusting?☐ Problems with your system since it's been installed?☐ Anyone with allergies or asthma?☐ AC starts and stops frequently or runs all the time, and house is still not cool?

☐ Have been told by other contractors that the problem cannot be fixed?

If you answered YES to any of these questions, we can help!

Pippin Brothers has specialists that can pinpoint and correct these problems and, in many cases, you don't even have to replace your equipment, with the solution usually being easier and costing a lot less than you may think. There is no other contractor in Lawton more qualified than Pippin Brothers at diagnosing and correcting these annoying, inconvenient, unhealthy, comfort-compromising and energy-wasting concerns. Call us today and let us make your home **Feel As Good As It Looks!** After all, your home is your largest investment and you and your family deserve to be comfortable - don't you?

Our power supplier, Western Farmers Electric Cooperative (WFEC) is working with Cotton Electric to conduct a Residential Consumer Survey. The purpose of the survey is to gather data related to energy use patterns among members to help plan for future needs.

Survey participants are being asked to provide information regarding their appliances, heating and cooling equipment, use of solar power, electric vehicles, and general energy consumption. The survey is completely confidential and the only identifiable piece of information on the survey is the Cooperative that serves the respondent.

Cotton Electric members can access this survey electronically via computer, smart phone, or tablet by going to the following link:
