UNCOMFORTABLE?

Does your home have any of these symptoms?

- Rooms that get too hot or too cold?
 - High utility bills?
 - Thermostat wars with your spouse?
 - High humidity in summer?
 - House just never seems comfortable?
 - There doesn't seem to be enough airflow?
- Dust buildup within 2 days of dusting?
 - Problems with your system since it's been installed?
 - Anyone with allergies or asthma?
 - AC starts and stops frequently or runs all the time, and house is still not cool?
- Have been told by other contractors that the problem cannot be fixed?

If you answered YES to any of these questions, we can help!

Pippin Brothers has specialists that can pinpoint and correct these problems and, in many cases, you don't even have to replace your equipment, with the solution usually being easier and costing a lot less than you may think. There is no other contractor in Lawton more qualified than Pippin Brothers at diagnosing and correcting these annoying, inconvenient, unhealthy, comfort-compromising and energy-wasting concerns. Call us today and let us make your home **Feel As Good As It Looks!** After all, your home is your largest investment and you and your family deserve to be comfortable - don't you?

WOOD CHIPS

Cotton Electric right-of-way crews work continuously to improve reliability and to prevent trees from causing outages. Trees and branches are chopped and turned into small wood chips. The crews are always looking for land and homeowners in need of free **untreated** wood chips.

Wood chips are an excellent way to control soil erosion and can be used as mulch. Since these chips are untreated, it is not recommended to use them next to a structure.

Chips will be delivered to members nearest the day's work location. Chips will be delivered only to members we can reach by phone.

To be added to our wood chip list, we need your name, address, account number and a daytime phone number. You can get the information to us in one of the following ways:
