Classified Ad Policy

Walters, OK 73572

Cotton Electric Cooperative offers many special services to its members. Among them are the classified ads in The Current.

Members are entitled to two free classified ads *per mem*bership account per month, regardless of the number of meters on the account.

Members are asked to limit ads to 30 words. Ads over 30 words may be purchased for \$5.

Non-members may also purchase ads for \$5.

Insurance, it's probably the only thing you keep paying for that you hope you never have to use. But when an unfortunate situation does occur, you shouldn't have to fight with your insurance provider to get the claim award you deserve.

At Bartling, we're always on your side and we'll do everything we can to expedite any claim you make in a timely manner. We're also proud to say that we offer the finest coverage for your health, your home, automobile and commercial property.

Put the strength of a solid performer behind you. Call us now for a free, no obligation, price quote assessment of your current insurance needs.

UNCOMFORTABLE?

Does your home have any of these symptoms?

- Rooms that get too hot or too cold? High utility bills?
- Thermostat wars with your spouse?
- **High humidity in summer?**
- House just never seems comfortable? There doesn't seem to be enough airflow?
- Dust buildup within 2 days of dusting?
- Problems with your system since it's been installed?
- Anyone with allergies or asthma?
- AC starts and stops frequently or runs all the time, and house is still not cool?

☐ Have been told by other contractors that the problem cannot be fixed?

If you answered <u>YES</u> to any of these questions, we can help!

Pippin Brothers has specialists that can pinpoint and correct these problems and, in many cases, you don't even have to replace your equipment, with the solution usually being easier and costing a lot less than you may think. There is no other contractor in Lawton more qualified than Pippin Brothers at diagnosing and correcting these annoying, inconvenient, unhealthy, comfort-compromising and energywasting concerns. Call us today and let us make your home **Feel As Good As It Looks!** After all, your home is your largest investment and you and your family deserve to be comfortable - don't you?

Is Your Water Safe?

Give Your Back a Break...Stop Adding Salt to Your Softener

Minerals in your water form scale deposits that build up inside your pipes, water heater, shower heads, and other water using equipment like cholesterol in your arteries. These deposits significantly decrease the efficiency of your plumbing systems. Drinking water and icemakers are also negatively affected, as are health quality of water and taste. Hard water is not safe for you, your family or your home.

Benefits of an EasyWater No-Salt Water Conditioning System:

- ☐ Maintain healthy calcium & magnesium levels
- No sodium added to water
- □ No waste water vs. up to 10,000 gallons per year with salt softeners
- □ No environmental discharge of salt or chemicals
- □ Reduces iron staining
- □ Extends appliance life by 50% or more
- ☐ Descales inside of pipes & water heater
- ☐ Cleaner bodies, clothes, and dishes
- □ 25% or more reduced detergent use
- □ Clothing will last longer □ Cleaner more refreshing water

□ Improves water heater efficiency and thus lowers energy bills
