RE-ELECT
EDWARD ESCHITI
COTTON COUNTY
COMMISSIONER
DISTRICT #1

I was elected into the office of Cotton County Commissioner, District #1 and took office on January 1, 2011. As your commissioner during the past eight years I have built 5 bridges and headed an asphalt overlay road project for a total cost of \$4,010,975.76. I have another bridge replacement project currently in the works. All of these projects were completed with the federal and state funding. I have been working with the Comanche Tribe to asphalt overlay Park Road at a cost of \$311,149.90 and to oil and chip NS 2640 Road at a cost of \$53,000.00. I have received \$2,924,987.59 in FEMA and state funding for 4 declared county disasters from 2010 to 2017. As a member of the Board of Commissioners, we applied for and received more then \$1,010,649.00 in grant funding for the Courthouse Elevator, Central heat and air, security cameras, Waurika Lake Road chip and seal, E-911 addressing and signage, emergency management, generators and light towers and an emergency management operations center. As your County Commissioner, I will continue working for grant funding for viable, worthwhile projects, to make Cotton County a better place to work and live. I will continue to work on making our roads better and safer for travel.
